Awareness Programme on Gender Issues & Female Health and Hygiene

03.03.2023

An Awareness program was conducted by the Women and Anti-Sexual Harassment Cell on 03.03.23 wherein Dr. Rupam Soti (coordinator) sensitized the students on various gender issues. She emphasized promoting gender equality in all walks of life. She also made female students aware of the various provisions of POSH (Prevention of Women from Sexual Harassment Act), 2013. Besides, female students were apprised of maintaining health and hygiene by Dr. Sheela Gupta wherein menstruation hygiene and hygiene at the workplace were discussed particularly. It was a very interactive session as students were vocal enough to simultaneously raise their concerns and queries addressed by teachers during their informative lectures.

Women and Anti-Sexual Harassment Cell

Report

22 March 2023

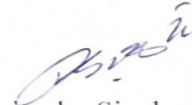

An interactive session was convened by women cell and anti-sexual harassment cell on 22 March 2023 at 12:30 p.m. in girls' common room. Wherein the girls students were addressed by Dr. Rupam Soti and Dr. Sheela Gupta to sensitize them about different issues. Girls students also shared their feedback and observations with the teachers. Dr. Sheela Gupta also trained them how to use sanitary pads vending machine and incinerator. As Dr. Sheela Gupta is the designated mental health counselor of Women Helpline 1090, she has taken a 5-minute meditation session to release girls' stress too. The session was quite satisfactory.
